

Philips
Power inverter

SCP5300

300W AC power in your car

Take your portable electronics and gaming equipment on the road and use them in your car. Just plug the inverter into your car's DC power outlet and play your DVD, CD player, VCR, TV or laptop. It's 300W AC power from 12V DC power source.

Convenience

- Auto shutdown avoids emptying your car battery
- Compact size for easy storage and usage

Safety

- The overload protection protects your equipment and yourself
- Input polarity reverse protection

PHILIPS
sense and simplicity

Specifications
